

TB Tester REQUIRED

An exciting opportunity has arisen to join our team here at Oakhill Farm Vets as an Approved Tuberculin Tester

We are looking for an individual to join our farm team as an Approved Tuberculin Tester (ATT) who will carry out TB testing for our clients across Lancashire. Training will be provided to allow the successful candidate to qualify as a TB tester; this includes theory, online exams and practical audits. The position will be based on a 4-day working week and will require flexibility to include some early morning starts to complete TB tests around the requirements of our clients.

Good cattle handling skills are essential and a knowledge of the local and national TB situation is advantageous.

To undertake the official training program candidates are required to be over 18, have a minimum of 6 months cattle handling experience and 3 GCSEs or equivalent in English, mathematics and science or a food production subject. A full driver's license is also required.

Applications to be received by 6th August 2021
