SATURDAY CONSULTING SMALL ANIMAL VET

We are an **INDEPENDENT** mixed practice seeking an experienced small animal vet to work between our busy branches on a Saturday morning.

This role would suit a vet who is happiest in the consulting room, looking to free up large amounts of time during the week for additional interests or perhaps care requirements.

As a practice we strive to combine the provision of exceptional, bespoke care with progressive current best practice in veterinary medicine. Our clinical club meetings are a great way to discuss cases and exchange ideas, and we hold in-house CPD days for the whole team to continually improve and advance our standards.

Our 28 vets are down to earth, friendly and willing to share their wealth of expertise. We are fortunate to have a team of experienced RVN's and dedicated support staff, all of whom share our passion for providing high standards of veterinary care to our patients and as you would expect, our branches are fully equipped with an extensive range of diagnostic facilities.

If you value clinical freedom and would like to part of a forward thinking independent practice and work with a fantastic supportive team, then we offer...

- **Excellent rates of pay**
- **6 weeks paid holiday (inclu bank holiday)**
- **Full VDS Cover**
- **Pension scheme**
- **RCVS fees paid**
- **Staff discount scheme**
- **CPD opportunities**
